October is National Disability Employment Awareness Month

FOR IMMEDIATE RELEASE, August 11, 2010 –

October is National Disability Employment Awareness month. This year's theme is: "Talent Has No Boundaries: Workforce Diversity Includes People with Disabilities."

Check out this web site to <http://www.whatcanyoudocampaign.org/> to find out what you can do to help spread the word.

One of the Board's main goals is to help individuals find and keep employment.
