Centers

A Reference Guide to DD Self-Advocacy Groups in Ohio

Summer 2021

Purpose and Acknowledgements

This list was created by the Adult Advocacy Centers (AACs) and Ohio's Developmental Disabilities (DD) Council, with support from Ohio's independent living centers. It is meant to provide contact information for self-advocacy groups that serve people with DD throughout the state. Statewide groups are listed first, followed by a list organized by county. Additional contributions from the community are welcome by emailing contact@adultadvocacycenters.org.

The AACs would also like to thank contributors Stacy Brannan-Smith, Shari Cooper and Patrick Disman.

This publication was supported by a Victim of Crime Act (VOCA) and/or State Victim Assistance Act (SVAA) grant award administered by the Ohio Attorney General's Office.

Disclaimer

The contributors to this publication, including the AACs, cannot guarantee the continued accuracy of the referenced information, websites or statements. The information provided is accurate to the best of our knowledge at the time of publication, but it is subject to change. Readers are encouraged to contact the AACs to update information or report inaccuracies. It is the goal of the AACs to continually update materials with the assistance and expertise of those in the field.
